v.

UNITED STATES DEPARTMENT OF THE  
INTERIOR; U.S. BUREAU OF LAND  
MANAGEMENT; LAURA DANIEL

Case No. 3:19-cv-00661-LRH-CSD

**ORDER GRANTING UNOPPOSED  
MOTION FOR EXTENSION OF THE  
DEADLINE TO RESPOND TO ECF  
NO. 78**

Federal Defendants request a seven-day extension of Federal Defendants and Defendant-Intervenor's deadline to respond to Plaintiffs' filing of ECF No. 78 (Plaintiff's Notice of

---

<sup>1</sup> Public officer substituted pursuant to FRAP 43.

1 Controlling and Supplemental Authority of the Ninth Circuit’s Ruling on the Mining Law and  
 2 Surface Resources Act, hereinafter the “Notice”). This motion is unopposed and Defendant-  
 3 Intervenors support the motion.

4 On June 10, 2022, after the completion of scheduled briefing on the parties’ cross-motions  
 5 for summary judgment, Plaintiffs filed their Notice informing the Court of the May 12, 2022,  
 6 decision in *Center for Biological Diversity v. U.S. Fish and Wildlife Service*, 33 F.4th 1202 (9th  
 7 Cir. 2022). Defendant-Intervenor moved to strike the Notice or, in the alternative, requested leave  
 8 to respond. ECF No. 79. On June 21, 2022, this Court granted leave to Federal Defendants and  
 9 Defendant-Intervenor to file a combined response not to exceed fifteen pages within thirty days of  
 10 the Order. ECF No. 80. Federal Defendants then moved to extend the response deadline until after  
 11 the July 27, 2022 deadline to file a petition for rehearing of *Center for Biological Diversity* in the  
 12 Ninth Circuit and requested the Court allow separate responses for Federal Defendants and  
 13 Defendant-Intervenors. ECF No. 81. The Court granted Federal Defendants’ motion and set the  
 14 deadline for responses for August 5, 2022. ECF No. 82.

15 On July 27, 2022, the Defendant-Intervenor in *Center for Biological Diversity*, petitioned  
 16 for a rehearing *en banc*; the United States, however, did not seek review of the Ninth Circuit’s  
 17 decision. Because of this current posture in *Center for Biological Diversity*, Federal Defendants  
 18 have good cause to seek this extension to allow for further review of its response and therefore  
 19 request a seven-day extension—until August 12, 2022—to respond to Plaintiffs’ notice of  
 20 supplemental authority.
